$$\begin{array}{l} 2 > -3 \quad \infty \quad + \quad - \\ 0.999\dots = 1 \quad \times \quad \div \\ \pi \approx 3.14 \quad 5^2 \\ \sqrt{2} \quad 1 + 2 \cdot 3 \quad (1 - 2) + 3 \\ 5(2 + 2) \quad 101_2 = 5_{10} \end{array}$$

The CNUSD Parent Center exists to serve and meet the needs of our district families. Math tutoring is one of our major requests for assistance. In response to this need the CNUSD Parent Center is facilitating a **PAID** tutoring program utilizing our most outstanding high school calculus and statistics students!

- **High School Math Tutor (\$10/hour)**
 - * Starting January 2018
 - * All tutoring sessions to take place at the CNUSD Parent Center
